Description

Delivered in 2013, the 33-metre Superyacht MAJESTY YACHTS 105 is a splendid flybridge vessel, built by the premier Middle Eastern shipyard: Gulf Craft. Boasting a strikingly performant hull, the MAJESTY YACHTS 105 motor yacht represents both the highest degree of engineering, design and technological sophistication, as well as a highly innovative superyacht concept tailored to diverse cruising requirements.

The superyacht boasts a vast flybridge and plenty of spacious exterior guest areas. Her bright and elegant interior has been designed in house and can accommodate up to 10 guests in 5 luxurious cabins. This beautiful vessel boasts a spacious owner's stateroom on the main deck, 24 Guest cabins (2 doubles and 2 twins), 2 crew cabins and one captain's cabin for a professional crew of 5, along with 8 bathrooms in addition to a day-head.

This MAJESTY YACHTS 105 is a beautifully presented and maintained 33m Superyacht. Thanks to her twin Caterpillar C32 Acert engines, the MAJESTY YACHTS 105 is capable of a top speed of 26 knots and a cruising speed of 18 knots, with a range of 800 nm and representing the ideal Mediterranean large Motoryacht.

Majesty Yachts are very much at the leading edge of yacht design and build, using sophisticated construction methods and excellent quality control. This is an opportunity to buy a first class Motor Yacht which is very competitively priced; not due to any compromise on the level of build quality but because of the relatively low cost of skilled craftsmen in the U.A.E.

The Majesty Yachts team combines technical know-how, practical experience, and decades of steady investment to deliver personalized luxury without the price premium. Owners of Majesty Yachts enjoy luxury that's meaningful, customization without the price premium, and performance-based sea keeping. The result is that Majesty owners are today cruising four continents with the confidence in a yard that's committed to sustainably growing its market by selling its yachts, and offering unforgettable yachting experiences.

Majesty Yachts relies on an in-house design team, as well as on Dutch, Italian, British and Australian designers, catering to diverse global tastes in exterior and interior styling.
