Description

The AZIMUT LEONARDO 98 is something new, a fusion between the thrill of an open yacht with the breeding and refinement of a mega-yacht. Strong, proud, challenging the status-quo and breaking the rules, the AZIMUT 98 LEONARDO is an attitude, a frame of mind. It is a special yacht for an independent soul right in between a performance sport yacht and a flybridge yacht.

The AZIMUT LEONARDO 98 is a yacht that is both spirited and sensual-bold, and cutting-edge. The 98 LEONARDO... in a word... "Avant-garde".

Accommodating up to 10 guests and 4 crew, the AZIMUT LEONARDO 98 reaches an impressive performance top speed of 32 knots, while cruising at 29 knots with her powerful twin MTU 2400 Hp Diesel engines. She is comprehensively equipped and can carry up to 3 tenders in her spacious stern tender garage.

This fine example of the AZIMUT 98 LEONARDO is coded for charter and available for inspections in Corsica. With a permanent crew and regular maintenance, she finds herself in good technical and aesthetical condition. Viewings are highly encouraged.
